**Application for COE International Internships—Summer 2012  
Brown University**

**Deadline: December 15, 2011**

**India Internship Essay:**

Please describe your motivation for applying to the India Internship program. You may elaborate on any or all of these questions: What goals would like to accomplish during your summer internship? Why would you like to work in India? What specifically are you looking for in an internship program? Why do you think this would be better achieved working abroad rather than on a domestic internship? How resourceful are you when presented with a challenge? Would you consider yourself to be autonomous or a self-starter?
